Competition is open to high school seniors who will be entering college as a freshman in 2018, as well as undergraduates and graduate students currently attending college on a full-time basis.

Employees, children and spouses of employees of EMA member companies in good standing are eligible for EMA Scholarships. In order for the child or spouse of an employee to be eligible, the employee must have completed at least six months of FULL time employment by March 31, 2018.

How much is the Scholarship Award?

One scholarship will be awarded. The recipient will receive a total of up to \$16,000 (US), depending on his or her current academic status. The scholarships are awarded in increments ranging up to \$4,000 per academic year. Scholarship awards will not become effective until and unless the recipient has been admitted to and enrolls in an accredited four-year college or graduate school as a full-time student. **The scholarship award will be sent directly to the college at which the recipient is enrolled** and will be credited to the recipient's account for use in accordance with the scholarship policy of the college. The awards may be used for tuition, books or any approved expense relative to the student's college education, subject to the approval of the Financial Aid Officer at the college.

Note: It is the recipient's responsibility to make certain that a certified transcript of his/her grades is submitted to the EMA Scholarship Foundation at the end of each academic year in order to receive funds for the succeeding year. The scholarship must be fully utilized within five years of the date it was awarded.

How are the Scholarship Awards selected?

Awards will be made on the basis of the applicant's academic achievement, financial need and potential for success at the college level. In this process, College Board Scholastic Aptitude Test scores (SAT) or the American College Test scores (ACT) and personal qualifications will be evaluated. Also, a demonstrated interest or experience in entertainment retailing or distribution will be taken into consideration.

The selection of EMA Scholarship winners will be made by the EMA President & CEO. All candidates will be notified immediately and the winner will be posted on EMA's website: "www.entmerch.org".
